Collaboration and Project Management with Git

OSS Webinar Series #2
7 October 2019

1

Git: Why?

2

Git: What?

3

Git: What?

- Version control
- Development
- Collaboration
- The same as GitHub? (no, not exactly)

4

Resources

- Wickham's R Packages
- Happy Git with R
- StackOverflow
- Others?

5

Pitfalls (Gitfalls?)

- Install as administrator
- Accessing Git GUI
- Excessive file size
- Remotes on private network locations
- Logins/credential manager

6
